

IL BORGO APARTMENT LA QUERCIOLOLA

The colors of this apartment are able to create inside the Tuscan countryside harmony, which extends all around the Borgo village of Castelfalfi creating a breath-taking view. The warm wood of the furnishings and of the beams, the deep red of the traditional terracotta floors and vaults, the sweet afternoon lights coming through windows that overlook the Medici garden: all is able to make your stay in La Querciola Apartment an unforgettable and reinvigorating experience.
